PROFESSIONAL EXPERIENCE

Front-End Developer | *Freelance — Self-Employed* 2023 – Present

- Designed and delivered 15+ responsive web applications using React.js, Angular, TypeScript, and Next.js for clients across multiple industries.
- Built a warehouse management system with real-time inventory tracking, reporting dashboards, and role-based access control via REST API.
- Integrated Firebase and Supabase backends with authentication flows, real-time data sync, and structured database design.
- Achieved 90+ Google Lighthouse scores via lazy loading, code splitting, tree shaking, and image optimization.
- Implemented Next.js SSR/SSG to improve page load speed, SEO rankings, and cross-browser compatibility.

Designer & Multimedia Producer | *Mufix Community* 2022 – 2024

- Created visual assets and multimedia content to strengthen brand identity and digital community engagement.

Video Editor | *Santawy* 2023 – 2024

- Produced and edited educational video content using Adobe Premiere Pro and DaVinci Resolve, meeting all client deadlines.

CERTIFICATIONS & TRAINING

Web Development Training | *Information Technology Institute (ITI)* Jan – Feb 2022

- Completed a 120-hour government-accredited program at ITI (Ministry of Communications & Information Technology).
- Covered: HTML & CSS, JavaScript, Database Fundamentals, MySQL, Freelancing Essentials, and Upwork training.

KEY PROJECTS

Front-End Developer Project — Portfolio Website — React.js · TypeScript · Tailwind CSS ahmedadel.tech
Performance-first personal showcase with smooth transitions, dark/light mode, and optimized Core Web Vitals.

Front-End Developer Project — Warehouse Management System — React.js · Redux Toolkit · Bootstrap mywarehouse.vercel.app
Real-time inventory dashboard with stock tracking, multi-role access control, reporting views, and REST API integration.

Front-End Developer Project — Zwaj Islamy — React.js · Tailwind CSS · Swiper.js zwaj-islamy.vercel.app
Community platform with carousel UI, mobile-first responsive layout, and WCAG-accessible component architecture.

EDUCATION

B.Sc. Computer Science & Information 2020 – 2024
Menoufia University, Egypt · Graduation Project: **MAZADY — Online Auction Platform** · Grade: **A+**

LANGUAGES

Arabic — Native **English** — Professional Working Proficiency
